
New criminal cases on atrocious crime from the part of the Ukraine military personnel in relation to civilians are launched.

The General Investigative Directorate of the Investigative Committee of Russia launches two more criminal charges against the Armed Forces of Ukraine and the nationalists in relation to the civilians of Donbas based on the facts of atrocious crimes, provided for Part.1, Art.356 of the Criminal Code of the Russian Federation (the vicious treatment of civilians; application of means and methods in armed conflict, prohibited by the international treaty of the Russian Federation).

According to the investigation, in the Donetsk People's Republic, in the period from 4 to 5 April 2022, the military personnel of the Armed Forces of Ukraine and other Ukrainian military formations produced massive sighting artillery and mortar shelling from severe weapons having high affecting properties, to the infrastructure of Donetsk, Yasinovataya and Mariupol cities and to the other settlements as well, like Sartan and Krasnyi Partizan towns.

In the Lugansk People's Republic there was an attack on the following cities: Pervomays, Kirovsk, Irmino, including small communities like Berezovskoye, Kalinovo, Donetskoy.

As a result, 4 people died, 28 citizens, including 6 juvenile, were injured. 42 object of civil infrastructure - damaged.

The Investigative Committee of Russia establishes the circumstances of the happened facts, including the persons, implicated in a crime.
