
Za Delo! History Behind Issue...

Za Delo! This is a new project of the Sledkom TV channel, based on historical facts and results of modern investigations about the events unfolding in Ukraine today. When and under what circumstances did Ukraine appear on the world map? Who develops biological weapons in this country? Why does Ukraine wage an information war? The answers to these and many other questions will be provided in the new episodes of the Za Delo! project.

The first episode is dedicated Donbass. Development of the territories, emergence of the Russian-speaking population, and evolution of the Russian world, as well as causes of political contradictions between Ukraine and the population of the Lugansk and Donetsk People's Republics. Watch it! It will be interesting!
