
Investigators will give a legal assessment to the next fact the monument to Soviet soldiers desecration of in the Republic of Poland

Chairman of the Investigative Committee of the Russian Federation A.I. Bastrykin instructed to give the legal assessment of the actions of the vandals, which desecrated the monument located on the largest memorial cemetery of Soviet soldiers in Poland.

As it became known, the unknown persons made the labeling of red paint on the pedestal of the monument in the center of the cemetery on Zhvirki and Vigura streets in Warsaw. More than 21 thousand soldiers of the first Belarusian front of the Red Army were buried on this largest military cemetery-mausoleum

The Head of the Committee instructed the Main Investigative Directorate to investigate all the circumstances of the crime and to take all range of measures due to establish their identity for the further prosecution.
