
The Investigative Committee of Russia provides the legal evaluation of the Armed Forces of Ukraine representatives, who opened fire on the civilian persons, during the humanitarian assistance receipt

According to reports, Ukrainian armed formations fired the Snigirevka city residential areas in the Niykolayvskaya oblast, when the Russian Guard Soldiers were unloading a batch of humanitarian aid. As a result of the shelling, a 61-year-old local resident was killed, as she was mortally wounded directly in her house backyard.

The investigating authorities of the Investigative Committee of Russia, within the criminal investigation on the ill-treatment of the civilian persons, will give a legal assessment to this inhuman crime, committed by the Ukrainian security forces, and the names of the criminals will be mandatory identified too.
