
The Chairman of the Investigative Committee of Russia instructs to document and investigate the shelling of the settlement in Kurskaya oblast committed by the Armed Forces of Ukraine

The Chairman of the Investigative Committee of Russia A.I. Bastrykin instructed the investigators to document the fact of Alexeyevka settlement shelling, the settlement was bordering Ukraine, and it located in Glushkovsky rayon, Kurskaya oblast. According to Mr. R.V. Starovoit, the Head of the region, as a result of the shelling there were no casualties, but three houses and a school building were damaged.

Within a criminal investigation, the investigators will identify all the circumstances and provide a criminal legal assessment. A circle of perpetrators will be identified and prosecuted.
