
A criminal case is launched on the shelling committed by the Ukrainian militants on the territory of Bryanskaya oblast

The Main Investigative Directorate of the Investigative Committee of the Russian Federation launched a criminal case against the Ukrainian military services on the fact of shelling the Severskiy rayon, Bryanskaya oblast under the offence prescribed in Part, 3 Article 30, paragraphs «a», «f», «g» Part 2 Article 105 of the Criminal Code of the RF (assault to murder two or more persons, committed by generally dangerous mean, in group of persons upon a preliminary collusion).

According to the investigation, on July 15, 2022, the Armed Forces of Ukraine shelled the territory of Sevsky rayon of Bryanskaya oblast. The building of a temporarily inactive customs post is damaged, including the other civilian infrastructural facilities.

As a result of the Ukrainian security forces criminal actions, no casualties occurred.

Within the criminal investigation all necessary examinations were appointed, all the circumstances of this crime are identified, including the individuals of the Ukrainian security forces involved to the mentioned above crime.
