
The Chairman of the Investigative Committee of Russia instructs to launch a criminal case on the new facts of shelling occurred on the Bryanskaya oblast territory, committed by the Ukrainian armed forces

The Chairman of the Investigative Committee of Russia instructed to launch a criminal case on the new facts of shelling occurred on the Bryanskaya oblast territory, committed by the Ukrainian armed forces. It is reported that the settlements of Novye Yurkovichi in the Klimovsky rayon and Lomakovka in the Starodubsky municipality were shelled. There were no casualties occurred, but the road is damaged, and there is also visible damage to the facilities located at the Lomakovka automobile checkpoint. One of the shells exploded in the immediate vicinity of the power line, as a result of which 4 spans of power lines were damaged. Within the criminal investigation, the investigators will identify the circumstances of the mentioned crimes and the individuals involved in them, for the subsequent prosecution.
