
The Head of the Investigative Committee will be reported on the circumstances of causing bodily harm to a child in Nizhny Novgorod

The Chairman of the Investigative Committee of Russia instructed Mr. Akhmetshin A.S., Head of the Investigative Directorate of the Russian Investigative Committee for Nizhny Novgorod oblast, to report on a suite of measures deployment related to the information about a child being beaten on a sports ground in the regional center.

Earlier, there was information posted on one of the social networks about a man, who used force against a boy who accidentally hit a ball in a stroller with a child.

The process and results of the verification related to the commission of possible illegal actions against the child is the subject to control in the Main Investigative Directorate.
