
Criminal investigation on the murder of the Great Patriotic War veteran in the Republic of Bashkortostan is a subject to control of the Head of the Russian Investigative Committee

On August 25, 2022, law enforcement agencies received a message about the discovery of the body of a 95-year-old Great Patriotic War veteran with signs of violent death in the courtyard of his house in the Kadyrovo settlement, Ilishevsky raion. The body was found by a woman who took care of the veteran. The investigating authorities of the Investigative Directorate for the Republic of Bashkortostan launched a criminal case on the offense of a crime prescribed in Part 1, Article 105 of the Criminal Code of the Russian Federation (murder).

The Chairman of the Investigative Committee instructed Mr. Masallimov I.G, acting Head of the Supervisory Board for the Republic of Bashkortostan, to take comprehensive measures to detain the suspects and report on the circumstances of the incident in the shortest terms.

The investigation is a subject to control in the Main Investigative Directorate the Department.
