

The Chairman of the Investigative Committee instructs to conduct an inspection relative to information about the violation of residents' rights in one of the dormitories of Lipetsk

On the air of the Federal channel, it was reported about the communal problems of residents of one of the dormitories in the city of Lipetsk, who have not been able to achieve relocation from emergency housing for almost 10 years. It was noted that there was no ventilation in the building, the walls are covered with cracks, and in winter the premises freeze through, and only formal answers are received to numerous complaints of residents.

The Chairman of the Investigative Committee of Russia instructed Mr. Muratov V.M., acting Head of the IC for Lipetskaya oblast to conduct an inspection and report on the situation.

The investigation and the results of the inspection is the subject of control in the Main Investigative Directorate of the Department.
