## **The Chairman of the Investigative Committee of Russia instructs to arrange an inspection on the appeal of farmers from Saratovskaya oblast about the violation of their rights**

In connection with the complaint of the farmers of Fedorovskiy raion, Saratovskaya oblast about the formal approach and the refusal to conduct an inspection on their application for the alienation of fields sown by farmers, including the complaint about the threats received by the farmers, the Chairman of the IC of Russia instructed to arrange an internal inspection on the non-compliance of the instructions given by the Main Investigative Directorate by Officers of ID of the IC of Russia for Saratov oblast, and to organize a verification of the arguments set forth in the appeal.

Mr. Alexander Ivanovich Bastrykin also instructed Mr. Govorunov A.Yu., Head of the regional investigative directorate, to organize a thorough inspection on the farmers' appeals.

The inspection and the execution of the instruction are the subject to control in the Main Investigative Directorate of the IC.
