
The Chairman of the Investigative Committee of Russia instructs to launch a criminal investigation on inflicting harm to the health of a juvenile in Leningrad oblast.

According to investigators, in the Leningrad oblast, a man kicked a juvenile in the head, after which the girl lost her consciousness and fell to the asphalt. On this fact, the investigating authorities of the Investigative Directorate of the Investigative Committee of Russia for Leningrad oblast are conducting the investigative actions.

Mr. A.I. Bastrykin, Head of the Investigative Committee of Russia, instructed Mr. S.T. Sazin, Head of the Investigative Directorate of the Russian Investigative Committee for Leningrad oblast, to launch a criminal case immediately and submit a report on this within the shortest time terms.

The criminal investigation is a subject to control in the Main Investigative Directorate of the

Investigative Committee of Russia.
