
The Chairman of the Investigative Committee of Russia instructs to verify the information about the violation of the rights of a retiree in St. Petersburg

The media reported that the 73-year lady, the veteran of the Labour has been waiting for a long time to be resettled from her house on Moldagulova Street, which, according to her, no longer meets safety requirements, but has not yet been recognized as emergency.

The Chairman of the Investigative Committee of Russia instructed the Head of the Main Investigative Directorate of the Investigative Committee of Russia for St. Petersburg to organize an inspection, to investigate all the circumstances and submit a report. The inspection is a subject to control in the Main Investigative Directorate.
