
The Chairman of the Investigative Committee of Russia instructs to launch a criminal case on the negligence of guardianship authorities in Moscow oblast

The Head of the IC of Russia instructed Mr. Chvanov V.V., acting head of the Main Investigative Directorate of the Investigative Committee of Russia for Moscow oblast, to launch a criminal case on the negligence of the guardianship authorities, which do not take measures to remove and transfer the 7-year-old child to the mother: the boy, in violation of the court decision, continues to live with his father in the city of Mytishchi.

Earlier it was reported about the appeal on social networks to the Investigative Committee of the Russian Federation of the user with a request to pay attention to the inaction of the guardianship authorities.

Mr Alexander Ivanovich Bastykin instructed to detect all the circumstances of what had happened within the criminal investigation of the case.

The investigation of the criminal case is a subject to control in the Main Investigative Directorate of the Committee.
