
The Chairman of the Investigative Committee of Russia instructs to submit a report on the collected evidence over a criminal case on infliction of death to a resident of Sverdlovsk oblast

On the air of the Federal Channel, the story of the death of a 30-year-old resident of Sverdlovsk oblast on November 12, 2015 was discussed. Her death was a result of a MVC. The former roommate of the woman was indicted by the investigating authorities of the Investigative Committee of Russia for Sverdlovsk oblast with Infliction of death by negligence (Article 109 of the Criminal Code of the Russian Federation). The court sentenced him to two years of imprisonment. The relatives of the deceased believe that the man intentionally pushed the woman under the wheels, therefore, they disagreed with the court verdict and they intend to appeal it.

The Chairman of the Investigative Committee of Russia instructed Mr. Boginsky M.V., Head of the Investigative Directorate of the Investigative Committee of Russia for Sverdlovsk oblast, to provide a report on the set of investigative actions carried out within the criminal investigation and the evidence base collected.
