
The Chairman of the Russian Investigative Committee instructs to report on the verification of the unsafe services provision in a private health care facility in the Republic of Bashkortostan

On the air of one of the federal channels, a story was shown where a woman became ill as a result of the services provision to her in one of the private clinics, and she ended up in the hospital with a suspected stroke. On the mentioned above, the investigating authorities of the Investigative Directorate of Russia for the Republic of Bashkortostan organized an inspection.

The Head of the Investigative Committee of the Russian Federation instructed Mr. Masallimov I.G., Acting. Head of the Investigative Directorate of the Investigative Committee of Russia for the Republic of Bashkortostan to provide a report on the situation. The results of the verification activities are the subject to control in the Main Investigative Directorate of the Department.
