
Criminal investigation of a case on the torture of a minor in Kamchatka krai is a subject to control of the Chairman of the Investigative Committee of Russia

The investigating authorities of the Russian Investigative Committee for Kamchatka krai are investigating a criminal case against a 52-year-old resident of the regional settlement. A woman is suspected of torturing her young daughter (paragraph "d", Part 2, Article 117 of the Criminal Code of the Russian Federation).

According to the investigation, between 2020 and August of this year, being at her place of residence, being dissatisfied with the girl's performance at school, as well as her unsatisfactory behavior, she systematically beat her daughter, born in 2010, causing the girl physical pain and suffering.

The Chairman of the Investigative Committee of Russia instructed Mr. Kulakov V.V., Head of the investigative directorate of the Investigative Committee of the Russian Federation for Kamchatka krai to report on the situation. The investigation of the criminal case is a subject to control in the Main Investigative Directorate of the Department.
