
Criminal investigation of the case on the murder of a child in Ivanovo oblast is a subject to control of the Chairman of the Investigative Committee of Russia

On October 3, 2022, a 34-year-old woman, together with her 27-year-old cohabitant partner and their friend, drank alcohol at her place of residence in the Rodniki city. In addition, the woman's one-year-old son was in the apartment. In the evening, the woman went to the store with a mentioned above friend, leaving the child at home with the partner. When she came back home, she found the boy's body in the apartment with signs of a violent death: he had injuries in the head area. According to investigators, the defendant inflicted bodily harm on the child while intoxicated. In relation to him, the investigating authorities of the Investigative Directorate of the Investigative Committee of Russia for Ivanovo oblast launched a criminal case, paragraph "c", Part 2, Article 105 of the Criminal Code of the Russian Federation (murder of a juvenile). He was detained, a measure of restraint is being decided. During the investigation, an assessment will be given to the actions (inaction) of the Establishments of the Prevention System.

The Chairman of the Russian Investigative Committee instructed Mr. K.I. Vasilevich, Acting Head of the Investigative Directorate for Ivanovo oblast, to submit a report on the progress of the investigation.

The results of criminal investigation are a subject to control of the Main Directorate of the Department.
