
The Main Investigative Directorate of the Investigative Committee of Russia will be reported on the situation with illegal hostels in Moscow

Today, a TV program showed a story about a number of illegal hostels located on the territories of Gagarinsky and Simonovsky raions of Moscow. It was noted that in unsanitary premises, fire safety rules are violated.

According to the announced information, pre-investigation inspections were organized by the Main Investigative Directorate for the city of Moscow.

The Chairman of the Investigative Committee of Russia instructed Mr. A. A. Strizhov, Head of the Main Investigative Directorate for Moscow, to report on the mentioned above facts.
