
The Chairman of the Investigative Committee of Russia will be reported on the circumstances of a juvenile being injured on a playground in Krasnodar Krai

The media published information about a child getting injured while riding a merry-go-round on the playground of a residential compound in Krasnodar Krai. Subsequently, the child was hospitalized. On this fact, the Investigating Authorities of the Russian Investigative Committee for Krasnodar Krai organized an inspection.

Mr. A.I. Bastykin, Head of the Russian Investigative Committee, instructed Mr. A.K. Maslov, Head of the Investigative Directorate of the Russian Investigative Committee for Krasnodar Krai, to submit a report on the progress and results of the inspection.
