
Criminal investigation into the attempted murder of a girl in Rostov oblast us a subject to control of the Chairman of the Investigative Committee of Russia

The Investigating Authorities of the Investigative Committee of Russia for Rostov oblast are investigating a criminal case against a 19-year-old resident of the Rostov-on-Don city. She is suspected of committing a crime prescribed in Part 3, Article 30, Part 1, Article 105 of the Criminal Code of the Russian Federation (attempted murder).

According to Investigators, on October 12, 2022, the suspect was at school located in Rostov-on-Don, as she has been studying there. Motivated by her personal hostile relation, she took an ax from a fire shield and inflicted one blow to 17-year-old student of the same school by the tip of an ax to the head. The suspect failed to complete her intent aimed at murder, because her illegal actions were terminated. The victim was promptly taken to a medical facility, where she is receiving qualified medical care. After committing the crime, the attacker was arrested.

The Chairman of the Investigative Committee of Russia instructed Mr. Huada A.G., Head of the Investigative Directorate of the Investigative Committee of the Russian Federation for Rostov Oblast, to report on the progress of the criminal investigation.

The investigation and its results are the subject to control in the Main Investigative Directorate of the Department.
