
The Chairman of the Investigative Committee of Russia instructs to report on the progress of the criminal investigation on the death of a teenager in Stavropol Krai

On November 10 of this year, during a break between classes 15-year-old classmates had an argument, where one teenager transferred the carotid artery to another one. The incident occurred at a secondary school of the Barsukovskaya village, Kochubeevsky municipal district. The resulting injury led to the death of a teenager. On all mentioned above, the Investigating Authorities of the Investigative Committee of Russia for Stavropol Krai are conducting a criminal investigation.

The Chairman of the IC of Russia instructed Mr. Sidorov O.E., Acting Head of the Investigative Directorate of the Investigative Committee of Russia for Stavropol Krai, to submit an operational report, to study comprehensively all the circumstances, establishing the reasons and conditions that contributed to the commission of the crime.

The investigation is a subject to control in the Main Directorate of the Department.
