
The Head of the Department will be reported on the progress of inspection relative to information about possible violations of the rights of citizens in Saratov Oblast

In one of the social media, a publication was revealed, which reported about one of the houses in Saratov, where elderly citizens and juveniles have been living without any heating since November 25, 2022. In addition, major repairs have not been carried out since the day the house was built, and started from November 1, 2022, the Management Company terminated the service contract unilaterally. Based on mentioned above facts, the Investigating Authorities of the Investigative Committee of Russia for Saratov Oblast are conducting the inspection.

The Chairman of the Investigative Committee of Russia instructed Mr. Govorunov A.Yu., Head of the Investigative Directorate of the Investigative Committee of Russia for Saratov Oblast, to submit a report on the interim results of the inspection.
