
The Chairman of the Investigative Committee of Russia will be reported on the investigative results on the circumstances of the death of a man at a railway station in St. Petersburg

On the air of the Federal Channel, it was reported that a female resident of St. Petersburg disagreed with the conclusions made by the investigation on the circumstances of the death of her father in February 2020 on the platform of the Obukhovo railway station in the city of St. Petersburg. The Investigative Bodies of the Western Interregional Investigative Directorate for Transport investigated a criminal case launched on this fact (paragraph "c" Part 2, Article 238 of the Criminal Code of the Russian Federation), and based on the results of a set of investigative actions, it was decided to terminate the criminal case due to the lack of criminal elements in actions of Railroad Employees.

The Chairman of the Investigative Committee of Russia instructed Mr. Vymenz P.S., Head of the Western Interregional Investigative Directorate for Transport, to submit a report on the set of investigative actions carried out, the detected circumstances and the grounds for the procedural decision taken.
