
The Chairman of the Investigative Committee of Russia instructs to report on the interim results of information verification on ill-treatment of kindergarten children in Vladikavkaz

Information appeared on social media that a tutor from a privately-held kindergarten in Vladikavkaz beat children. It is reported that the parents of the kids, who visited this institution, watched the recordings from the cameras, where it was shown how the tutor hit the child's head on the table. On this fact, the Investigating Authorities of the Investigative Directorate of the Investigative Committee of the Russian Federation for the Republic of North Ossetia-Alania are carrying out the necessary verification measures. Based on the results, a procedural decision will be made.

The Chairman of the Investigative Committee of Russia instructed Mr. Ustov V.Kh., Head of the Investigative Directorate of the Investigative Committee of the Russian Federation for the Republic of North Ossetia-Alania, to report on the circumstances established within the the verification activities.
