
The Head of the Department will be reported on the case of the memorial desecration in the Altai Republic

The Investigating Authorities of the Investigative Directorate of the Investigative Committee of Russia for the Republic of Altai organized a pre-investigation inspection on posting a video to the Internet about the illegal acts committed by teenagers at the Victory Park memorial in the Gorno-Altai city.

The Chairman of the Investigative Committee of Russia instructed Mr. V.V. Batishchev, Head of the Investigative Directorate for the Republic of Altai to report on the circumstances of the incident.
