
The Chairman of the Investigative Committee of Russia instructs to report on the possible involvement of children into illegal activities in Novosibirsk Oblast

On the air of one of the television programs, it was reported that in Novosibirsk Oblast, a school teacher organized an event for schoolchildren with alcohol and prohibited substances. In addition, according to the parents, the children posed for photos with prohibited symbols at the party.

The Chairman of the IC of Russia instructed Mr. Zaripov V.B., Acting Head of the Investigative Directorate of the Investigative Committee of Russia for Novosibirsk Oblast, to submit a detailed report on the circumstances voiced in the program.
