
The head of the department ordered to initiate a criminal case into illegal actions committed against a minor in Orenburg

A publication on social media reported that in the city of Orenburg, a man inflicted bodily harm, as well as stab wounds, on a minor during a conflict.

The Chairman of the Investigative Committee of Russia, A.I. Bastrykin, instructed the head of the Investigation Department of the Investigative Committee of Russia for the Orenburg region, V.D. Zuderman, to initiate a criminal case and report on the established circumstances.
