
Information about suicide attempt by Vitaliy Ivanov is untrue

It is necessary to clarify media information about suicide attempt by 28-year-old Vitaliy Ivanov, who is suspected of a number of murders in Kushchevskaya region.

When police officials of the Chief Internal Affairs Office for Krasnodar Territory on December 9 were arresting Ivanov, the suspect was intoxicated and acted inadequately - he smashed his head into the mirror and cut his chin. The wound was treated in accident ward in Kushchevskaya Regional Hospital. Then the doctors confirmed that investigators can interrogate the suspect.
