## **Check launched into death of British national**

The investigative authorities of the Central Investigative Department for Moscow city are carrying out a pre-investigative check into the death of the British national Colin Adams.

The check established that on December 4, 2011, a body of a 60-year old man with a bruise on his right temple was found at the Cosmos Hotel. The medical-forensic examination has been set to find out the cause of the death.

After the expert's report received the decision will be made in line with the Russian law.
