
Check into death of 28-year old Congo student in Rostov region

On December 4, 2011, at about 3 p.m., a body of a citizen of the republic of the Congo was discovered near a 5-story building on Kirov street of Bataisk. A young man was a 5th year student at one of the Rostov-on-Don Universities.

The investigative authorities of the Investigative Committee for Rostov region are carrying out an investigative check into the fact. According to preliminary data the young man fell from the windows of one of the 5th floor apartments.

A procedural decision will be made following the results of the check which will establish the circumstances of the accident.

06 December 2011
