## Chairman of Investigative Committee holds operational meeting in the Republic of Dagestan

Chairman of the RF Investigative Committee has held an operational meeting in Makhachkala. The meeting was attended by Vice-Chairman of the Investigative Committee, head of North Caucasian Federal District Main Investigations Directorate, head of Dagestan Republic Investigations Directorate, head of Dagestan Central Anti-Extremism Center of the Russian Interior Ministry.

Heads of investigations directorates reported to Alexander Bastrykin on the results of work in current year. The meeting heard criminal cases namely over a terrorist attack committed at traffic patrol police check point in Khasavyurt on 14 February 2013, on attempted murder of the judge of Izberbashsky city court Akhmed Radzhabov and encroachment on lives of law enforcement officers.

Based on the results of the meeting Mr. Bastrykin gave a number of explicit orders to heads of investigations directorates concerning the most urgent areas of their work.

22 March 2013
