
Russia's Investigative Committee launches procedural check into desecration of Russian flag

Despite the fact that the materials of the check by inquiry of the Russian Interior Ministry over a defilement of the Russian flag by a member of Bloodhound Gang band has not been received from the prosecutor's office yet, considering the cynicism of the crime showing obvious disrespect for the Russian State, Alexander Bastrykin has ordered the Main Investigations Directorate of the Russia's Investigative Committee to organize a procedural check into the fact. Investigators are going to give legal treatment to actions of everybody involved in the crime, from the perpetrators to the organizers.
