
Staff of Novosibirsk Region Investigations Directorate of Russia's Investigative Committee commemorated those fallen in Great Patriotic War

The staff of the Investigations Directorate of the Investigative Committee of the Russian Federation in the Novosibirsk Region took part in events to celebrate the Victory in the Great Patriotic War. They venerated the memory of fallen Siberians soldiers and laid flowers at the memorial "Monument of Glory".

Employees of the investigations Directorate are taking steps to improve the territories of the monuments and congratulate the veterans and make gifts to them at their own forces and resources and in accordance with the locations of territorial investigations departments.
