
Officials of Tatarstan Investigations Directorate congratulate inmates of children's home on International Children's Day

On 28 May 2014, on the eve of the International Children's Day Deputy Head of the Tatarstan Investigations Directorate Ayrat Akhmetshin and officials of the investigating office for the town of Naberezhnye Chelny visited sponsored children's home No 74 Merkhemet.

The same day the Deputy Head of the Investigations Directorate together with the Head of Leninogorsk municipality and Head of Bugulma Inter-Regional Investigations Office visited Leningorosc children's home.

During the visits they talked with the children and staff. The guests congratulated the inmates on the Children's Day and gave them sweets and presents.

The officials of the Investigations Directorate systematically provide material aid to the facilities and congratulate the inmates on holidays. Besides, they organize mini-football, hockey, volleyball and other sport championships. They take children to theaters, museums and cinemas.
