
In Novosibirsk suspect of killing karate champion detained

Novosibirsk Region investigating bodies of the Russia's Investigative Committee have detained a suspect of killing Anton Krivosheyev. It is a worker of a service center who repaired the victim's car. The suspect was held thanks to coherent and well-planned actions of the officials of the Novosibirsk Region Main Office of the Russian Interior Ministry. At present investigative operations involving the suspect are underway.

The preliminary investigation revealed that the victim died of blood loss due to 5 gunshot wounds. It was also found out that the motive for the crime was a conflict that had happened because of the repair of the car.

Charges and custodial restraint are expected soon. The investigation is ongoing.
