
Investigative Committee asks help to find Oleg Belov, father of children killed in Nizhny Novgorod

The Russia's Investigative Committee asks to help to find Oleg Belov, 52 – the father of the children whose remains were found in a flat in Nizhny Novgorod on 4 August 2015.

Distinctive marks: 50-55 years of age by sight, about 175 cm tall, average build, short-cut blond hair.

We ask everybody who has any information about the man to call 8-920-069-51-86 or 02.

Chairman of the Russia's Investigative Committee Alexander Bastrykin assumed personal control over the investigation.

Head of Media Relations V.I. Markin
